

CHILDREN IN CRISIS

Books for Unaccompanied Refugee Children

A Project by **REFORMA**
The National Association to Promote Library & Information Services to Latinos and the Spanish Speaking

The arrival of thousands of children from Central America seeking refugee status here in the United States has created a humanitarian crisis that compels REFORMA, and others to act.

Our goal is to 1) get books into the hands of these children, 2) create access to story time materials, and 3) to make recent arrivals aware of library resources available to them.
